**coiffureEU** 

European association  
of national employers'  
organisations in hairdressing

Since 1998, Coiffure EU is officially recognised by the EU as a social partner in the Sectoral Social Dialogue Personal services for the employers' interest.

Hairdressers can be found in all European cities and villages. They add to the social cohesion and thus play an important role in society.

### The hairdressing sector counts on:

- ★ 400.000 hairdressing salons
- ★ 1 Mio employees who make up 0.5% of total employment in the Member States
- ★ a labour force that consists of 80% women of whom 80% are under the age of 26

### Coiffure EU aims to:

- ★ promote and represent the interests of member employers' organisations at European level
- ★ contribute to favourable conditions and high professional standards for hairdressers in Europe
- ★ exchange information among members
- ★ promote all other initiatives in favour of the member associations

### By means of:

- ★ drafting and publishing position papers, agreements and common positions
- ★ facilitating the contacts with European decision makers and lobbying the EU Institutions
- ★ projects, events and conventions
- ★ a forum of discussion, working groups, website and newsletters

## Main topics of Coiffure EU

- ★ Health and safety at work
- ★ Skin testing
- ★ Hairdresser's licence
- ★ Sector skills
- ★ Fair competition

### Membership advantages:

- ★ Representation at meetings with other national employers' organisations of hairdressers, the EU Commission, the EU Trade Unions and European institutions
- ★ The possibility to discuss national problems at European level
- ★ A European and thus a more professional look for your organisation
- ★ Contacts with the hairdressing industry

### Members of Coiffure EU:

To succeed at national level, it is important that Members of Coiffure EU are the most representative organisation in their country and are preferably involved in the national Social Dialogue.

## Projects

- ★ Ergohair - project on ergonomics
- ★ SafeHair - project on skin protection
- ★ Capacity Building - implementation of the agreement on Health & Safety
- ★ European Hairdressing Certificate
- ★ Transnational ESF project "A close shave"
